

DONOR-ADVISED FUNDS AT COMMUNITY FIRST FOUNDATION

Your vision. Our support.

Give smarter with a donor-advised fund

A donor-advised fund is a charitable giving fund that allows individuals, families and businesses to support favorite charities over time, yet receive an immediate tax benefit. When you create a donor-advised fund at Community First Foundation, your vision is combined with our personal service and in-depth understanding of charitable giving opportunities.

How a donor-advised fund works

"My entire estate will go to my donor-advised fund at Community First Foundation to continue a culture of philanthropy in coming generations."

Sandy Vanderstoep

In five easy steps

1. Review & Complete the Donor-Advised Fund Gift Application, Guidelines and Fund Agreement.

2. Donate cash, marketable securities, real estate or complex assets to Community First Foundation.

3. Receive a single tax receipt and charitable deduction in the same year as your gift.

4. Give from your fund at your convenience.

5. Build your fund by making additional contributions and let it grow as part of the Foundation's investment pool.

"A donor-advised fund is an excellent vehicle for giving as a family. We're encouraging our children to discover areas of need they're most passionate about."

Julie and Jonathan McVey
