

2020 INCENTIVE GRANT PROGRAM

NONPROFIT ENDOWMENT PARTNERS

SECURE YOUR FUTURE.

Community First Foundation's endowment-building program helps organizations grow their endowments and secure their futures. Endowments enable organizations to maintain healthy cash reserves to weather funding fluctuations and operational uncertainties. They also demonstrate to your communities and potential donors a commitment to future sustainability. This dedication appeals to donors and provides a vehicle for their legacy gifts and ongoing support.

ELIGIBILITY

As one of our established Nonprofit Endowment Partners located in Denver or the seven-county metro area, you're already eligible for the 2020 Incentive Grant Program. There are two ways we can help you grow your endowment.

Choice Incentive Grant

Contribute a minimum of \$500,000 to your endowment and we'll add an **Incentive Grant of \$50,000.**

Premier Incentive Grant

Contribute a minimum of \$1 million to your endowment and we'll add an **Incentive Grant of \$100,000.**

GUIDELINES

- One incentive grant per organization in 2020.
- Incentive grants are available on a first-come, first-served basis.
- Contributions to endowments must be received between January 1 - December 31, 2020.
- Grant amounts are deposited into your organization's endowment within 30 days after the contribution is received.
- Donors need to contribute directly to your nonprofit organization.
- Designated funds are not eligible for the Incentive Grant Program.
